

Brown County Weekend Backpacks

Enrollment Form

Mission Statement: *Brown County Weekend Backpacks, Inc. is a community-led program whose goal is keeping hungry children fed with nutritious food all weekend long.*

Weekend backpacks of food are available to students on the Free Lunch Program at Sprunica and Helmsburg Elementary, BC Intermediate, and BC Junior High schools.

New this year, on Fridays the Junior High and Intermediate schools will receive their food in plastic bags that can be put in their own backpacks to take home on Fridays. As last year, Sprunica and Helmsburg will have backpacks of food distributed on Fridays.

Each backpack or plastic bag will have food for two breakfasts, two lunches, and two dinners plus some snacks and a fresh fruit, usually an apple.

 I would like to have my child/children be a part of the Brown County Weekend Backpack Program and receive a backpack of food on Friday for each child.

 I do not want my child to be a part of the Brown County Weekend Backpack Program.

Please take this enrollment form to your child’s school as well as the release form attached with this form.

Thank you for allowing us to provide nutritious food for children of Brown County.

“No child should go to bed hungry.”
