SCHOOL DAY

Doors open at 7:30 a.m. for students. Students are to stay in the cafeteria, commons, or main lobby until 8:05 a.m. Once students arrive at school either by bus, car, or walking, they are not permitted to leave, unless otherwise noted in handbook with previous permission. After school, students must be under the supervision of staff to be in the building unless they are at the front tables waiting on rides home.

SCHOOL CLOSING

In the event of severe weather or unexpected problems, school may be closed or delayed. School closing, delayed starting times or early dismissal will be announced through state and local media, and school messenger.

Non Discrimination

It is the policy of Brown County Schools not to discriminate on the basis of race, color, religion, sex, national origin, or age in its educational programs or employment policies as required by the Indiana Civil Rights Act (I.C. 1971, 22-9-1), Public Law 218 (I.C. 1971 Title 20), Titles VI and VII (Civil Rights Act 1964) the Equal Pay Act of 1973, and Title IX (1972 Education Amendments).

Inquiries regarding compliance with Title IX may be directed to the appropriate building principal. Furthermore, no qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be the subject of discrimination under any programs or activities.

BROWN COUNTY HIGH SCHOOL GUIDANCE DEPARTMENT

The Brown County High School guidance staff will offer support through academic, personal and career counseling in order to facilitate the development of responsible and active citizens. Through partnerships with families, staff, and the community, the counselors will assist all students with developing an appropriate individualized educational program.

STUDENT SERVICES

The Guidance Department offers many services to students, parents/guardians, teachers, and community members. Staff members provide academic, personal and career counseling, individual testing, college information, financial aid and scholarship information. Counselors serve as a source to and from outside agencies such as The Division of Family Resources and the Department of Child Services, Probation, and Vocational Rehabilitation.

1. Personal - Counseling
2. Academic - Counseling and schedule planning
3. Career Counseling and information including interest assessments and a wide variety of career materials
4. Management of testing programs; ECA, PSAT, practice college admission tests, ASVAB, practice for SAT & ACT tests & information.
5. Post high school education and training
   - Information on college, technical schools
   - Indiana High School Equivalency Diploma (formerly GED) and Armed Services
     Representatives from post-secondary schools and armed services visit and talk with students. In addition to representatives being available to speak with students on post-secondary opportunities, the guidance office has bulletins, catalogs and handbooks available from many institutions of higher learning. As an important service to seniors, the Guidance Office holds a financial aid meeting during the senior year, to answer student and parent/guardian questions regarding college costs including help on federal financial aid forms (FAFSA).

**GRADUATION**

It is the responsibility of each student to plan with his or her parents and counselor for graduation. Counselors will inform students and parents regarding credits and requirements through individual meetings and informational mailings. Counselors will track graduation requirements, but the ultimate responsibility for meeting graduation requirements lies with the student.

**MID-TERM GRADUATION**

During the scheduling process for senior year, juniors interested in graduating after seven semesters will work with their counselor to develop an appropriate plan. Students completing all requirements at mid-term will not be issued a diploma until the end of the regular school year. Interested students must fill out and submit a mid-term grad. application by the required due date. (see BCHS course guide for application)

**ACT/SAT SIGN-UPS**

- Pick up a registration packet from your school counselor or go online to [http://www.actstudent.org/regist/](http://www.actstudent.org/regist/) or [http://sat.collegeboard.org/home](http://sat.collegeboard.org/home)
- Choose a test date. Usually, there are six to seven dates per academic year, all on Saturdays. The first is in August or September; the last one is in June. Register early so that you can have the widest choice of testing dates and test centers.
- Find test centers close to you by visiting ACT’s or SAT’s registration site.
- Have ready a school-appropriate photo available to upload on the ACT or SAT website. New security features REQUIRE this as part of the registration.
- Choose four colleges where you’d like the official score reports sent.
- Have a credit card or fee waiver available for payment.
- Remember that you can take the ACT or SAT as often as you like. One good strategy is to take it first during your junior year and then re-test your senior year if you’re not happy with your scores.
- If you aren’t confident you'll score high, consider not listing any colleges to send scores to; you can always send the score(s) later (for a small fee)
- If you can't afford the registration fee, you may be eligible for a waiver. See your registration packet and/or school counselor for instructions.
- Special accommodations are possible for students with an individualized education plan, or home-bound or otherwise confined students. Special arrangements can also be made for students whose religious beliefs or extremely remote locations keeps them from taking the test on a Saturday.
What's the difference between the ACT and the SAT?

_____ Length
- ACT: 3 hours, 25 minutes (including the 30-minute optional Writing test)
- SAT: 3 hours, 45 minutes

_____ Sections
- ACT: 4 test sections (5 with Writing test) – English, Math, Reading, Science, Writing (optional)
- SAT: 10 sections – 3 Critical Reading, 3 Math, 3 Writing (including essay), 1 Experimental (unscored)

_____ Reading (ACT) / Critical Reading (SAT)
- ACT: 4 Reading Comprehension passages, 10 questions per passage
- SAT: Reading Comprehension passages and questions, and Sentence Completion questions

_____ Science
- ACT: Analysis, interpretation, evaluation, basic content and problem solving
- SAT: Not part of test

_____ Math
- ACT: Accounts for ¼ of overall score; Topics covered are arithmetic, algebra, geometry & trigonometry
- SAT: Accounts for 1/3 of overall score; Topics covered are arithmetic, geometry, algebra & algebra II

_____ Essay
- ACT: Last thing you do, is optional but HIGHLY recommended, 30 minutes long, not included in composite score, topic of importance to high school students and address counterarguments
- SAT: First thing you do, required, 20 minutes long, factored into overall score, more abstract topic and once you pick a side, stick to it

_____ Scoring
- ACT: Total composite score of 1-36, based on an average of 4 tests, 4 scores of 1-36 for each test, score of 0-12 for the optional essay
- SAT: Total score out of 2400, 3 scores of 200-800 for each section, score of 0-12 for the essay

_____ Wrong Answer Penalty
- ACT: No penalty for answering incorrectly
- SAT: ¼ point subtracted per wrong answer (except for math grid-in questions)

Frequently Asked Questions
_____ How can I find out if a school accepts the ACT, SAT or both?
- You should be able to find this information by visiting the specific school’s website or by calling their admissions office

_____ How can I figure out which test I might score better on?
- Learning about the differences between the two tests is one thing, knowing how you actually might score is another; the only way to know for sure is to take a practice test

_____ How can I best prepare to take the ACT or SAT?
- Study! Both organizations have study tools on their websites; other options include purchasing a test prep book or take an ACT/SAT prep course

### BROWN COUNTY HIGH SCHOOL DIPLOMAS

#### CORE 40

Indiana CORE 40 is the required high school curriculum that opens doors for high school graduates. Whether going directly into the workforce or pursuing postsecondary options, students who complete CORE 40 have obtained the knowledge, skills, and self-discipline that will be required for college and workforce success. It is the curricular requirement for admission to Indiana’s four-year public institutions. A minimum 2.0 GPA is required to qualify for Indiana’s state financial aid if need is determined. The CORE 40 credit requirements are listed in the tables on the following pages.

#### CORE 40 with TECHNICAL HONORS

Indiana CORE 40 w/ Technical Honors also follows the same required high school curriculum of CORE 40 while rewarding students who pursue a rigorous high school curriculum. Students also focus on technical and career classes and programs. By taking a career-technical program while in high school, a student is better prepared to take on additional challenges in their field of study after high school. No grade lower than a C is allowed for a required course and the student must have a cumulative 3.0 GPA. The CORE 40 w/ Technical Honors credit requirements are listed in the tables on the following pages.
CORE 40 with ACADEMIC HONORS

The CORE 40 w/ Academic Honors is designed to encourage and reward students who pursue a rigorous, advanced course of study during their high school years. It is part of Indiana’s plan for academic excellence and is available to all students who wish to pursue the challenge. For those who qualify, an Academic Honors seal is affixed to the student’s diploma and a statement appears on the transcript. No grade lower than a C is allowed for a required course and the student must have a cumulative 3.0 GPA. Many Indiana colleges award scholarships to graduates with the CORE 40 w/ Academic Honors. Students who complete the CORE 40 w/ Academic Honors and meet specific financial aid guidelines, may qualify for tuition assistance. The CORE 40 w/ Academic Honors credit requirements are listed in the tables on the following pages.

COURSE SELECTION

Each student will receive a course description guide and individual scheduling appointment through his or her English or Social Studies class. It is expected that students will review the guide with parents prior to the scheduling appointment. The counselors will work with each student to ensure the most appropriate course plan considering student ability, interest, and post-secondary choice. Students should be prepared and on time for appointments to maximize time with the counselors.

SCHEDULE CHANGE POLICY

The course selection process at Brown County High School begins with students, parents and counselors working together to allow for thoughtful, informed decision making. Students must select their scheduling choices carefully making use of a variety of resources: family, teachers, counselors, high school transcripts, the curriculum guide, and post-high school interests and plans. After the student selects courses, the program of courses to be offered in the coming year is finalized, and the teachers are assigned to the courses. Occasionally, a course will not be offered due to insufficient student enrollment and lack of available staffing. Please include multiple alternate choices on course selections due to these factors. As a student centered organization, we base the master schedule on student requests and available teacher staffing. Therefore, these selections have a major impact on the master schedule and staffing needs for the following school year. Once, the master schedule is completed, schedule change requests will only be allowed when there is significant evidence that a student will not be successful.

At BCHS, we will have a time period to change a course you requested online. This MUST be done before April 30. Please submit a “Course Request Change” form, which can be found in the appendix of this guide. After this date, it becomes a Schedule Appeal, and the following rules are applied.

Schedule Appeal MUST 1.) Have administrative approval, 2.) Be submitted within the first 2 weeks of a semester AND 3.) Meet one of the following situations:
   a. The student does not have required prerequisite
   b. A scheduling error occurred (i.e. two of the same course in the same semester)
   c. A student already has credit for that course
   d. A class needs to be added due to failure
   e. A change is needed for timely graduation

Schedule Appeals related to teacher assignments, class periods, etc. will not be considered.

In the appendix of the BCHS Course Guide you will find a “Course Appeal” form that must be filled out and turned in if you meet one of the above criteria for a Schedule Change.

3 WAYS TO MEET THE Graduation Exams REQUIREMENTS

1. Pass all Graduation Exams
2. Fulfill the requirements of the Graduation Exam Evidenced-based waiver:
   a. Take the Graduation Exams at least one time your sophomore, junior, & senior years.
   b. Complete any extra help sessions offered each year by your school to prepare for the Graduation Exam retests.
   c. Maintain a school attendance rate of 95 percent or better (with excused absences) over the course of your high school career.
   d. Have a “C” average in the courses required for graduation over the course of your high school career.
   e. Satisfy any other state and local graduation requirements.
   f. Get a written recommendation from the teacher(s) in the subject area(s)
not passed, as well as one from the school principal, and show proof that the academic standards have been met, whether through other tests or classroom work.

3. Fulfill the requirements of the Graduation Exam Work-readiness waiver:
   a. Take the Graduation Exam at least one time your sophomore, junior, & senior years.
   b. Complete any extra help sessions offered each year by your school to prepare for the Graduation Exam retests.
   c. Maintain a school attendance rate of 95 percent or better (with verified or excused absences) over the course of your high school career.
   d. Have a "C" average in the courses required for graduation over the course of your high school career.
   e. Satisfy any other state and local graduation requirements
   f. Complete the course and credit requirements for a general diploma, including the career academic sequence; a workforce readiness assessment; and at least one career exploration internship, cooperative education, or workforce credential recommended by the student’s school.

RETAKING A COURSE
A student may repeat a course in order to improve a grade in a class they have previously taken. If a class is retaken in the classroom, that grade will replace the prior grade on the transcript. If it is retaken online, both grades will be posted on the transcript. Credit will only be given once per course. Anyone wishing to retake a class must receive administrative approval. There are four purposes for retaking a class. First, it allows a student the opportunity to improve his/her grade from the first time that he/she took the class; second, it allows the student more foundation in that subject area enabling him/her to pursue a more advanced study; third, it allows participation due to late enrollment or excessive absences; fourth, by administrative request.

Withdrawal incomplete (WI) = “0” points & 0 credits & grade becomes an “F”

After grades are posted, students with an incomplete must have all work made up within two weeks.

Honor Roll should reflect honor work; therefore, all grades on the report card must be C or higher. A student must be enrolled in a minimum of five credit-generating courses to be considered for either honor roll. A course retake is a non-credit class. (credit will only be given once per course)

**HELPFUL ACADEMIC TIPS**

Organization

- Have a binder or folder for each class
- Keeps books/folders together in locker in order you have the class
- Keep ALL paperwork for each class in its folder/binder, not in the book
- Have a backpack to keep all your materials together
- Put homework in backpack after each class so you don’t forget it
- Always take to class: your book, binder/folder, student planner, pen and pencil, paper
- Keep ALL returned work in folder/binder until after grades for 9 weeks come out

Get a study buddy for each class (get their phone number too)

Check grades once a week

When grade is low:

- Talk to teacher and see if there is any missing work you can make up
- Do any extra credit that is offered; if it is not offered, ask to see if there is any the teacher will give you to do
- Do EVERY assignment from then on to bring grade up
Talk to teacher to see why it is so low and see what you can focus on to bring it up (tests, projects, homework); also if you don’t do well in an area (i.e. tests) make sure you are working hard in the other areas to compensate for the area you struggle in

Do homework EVERY night, including rewriting & reviewing notes

At home:
- Have a routine for doing work: same time each night, same location (kitchen table is usually best)
- Have supplies handy for projects: poster board, construction paper, glue, tape, markers, colored pencils, scissors, etc.
- When done with homework, put it all back in your bag and put your bag by the door you go out in the morning so you don’t forget anything
- Think through the next day and what will be happening in each class to make sure you have done everything you need to do and have everything with you

When absent:
- Check your teachers’ Canvas pages for any missed work
- Call your study buddy for the books you have at home to see if there is work you can do before you go back
- See all your teachers and ask for all your homework; also ask for when it is due
- Get work done and turned in on time

Test Taking Tips:
- Keep a positive attitude during the test and try to stay relaxed. If you start to feel nervous put your pencil down and take a few deep breathes to relax.
- Do the easiest problems first. This will help build your confidence.
- Answer all the questions; you are not penalized for wrong answers. Before guessing, try to eliminate one or more of the choices.
- Always read the whole question carefully, don’t make assumptions about what the question might be asking.
- Ask the instructor for clarification if you don’t understand what the directions are asking.
- Write legibly on essay questions. If the grader can’t read what you wrote they will most likely mark it wrong.
- Don’t worry if other students finish before you; focus on the test in front of you.
- Keep your eyes on your own paper. You could appear to be cheating and cause unnecessary trouble for yourself.

(4th period 45)
DUAL-CREDIT ENROLLMENT & AP (ADVANCED PLACEMENT) COURSE ENROLLMENT

*If a student takes a course on a college campus, it is the student’s responsibility to provide the guidance office with an official college transcript if the student wishes the class to be counted as high school credit as well as college credit.

*See the guidance office and BCHS school administration for further details on dual credit and AP courses.

COMMENCEMENT

Commencement is a ceremony that represents the final completion of secondary schools. This ceremony is a privilege and should be treated with respect and dignity by all participants. The following guidelines have been outlined to insure a ceremony that gives respect to the honored graduates:

1. High school students may participate in graduation exercises if they meet all academic requirements which includes finishing 40 credits, they have fees paid in full, and they have attended graduation practice.
2. All graduates must dress appropriately for practice and the commencement ceremony. Ceremony dress includes a shirt and long pants, dark in color for males. Females may wear skirts or dress slacks. Shoes are required to be worn by all graduates.

NATIONAL HONOR SOCIETY

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the four main pillars of scholarship, service, leadership, and character. These pillars have guided chapters of NHS from the beginning: to create enthusiasm for scholarship; to stimulate a desire to render service; to promote leadership; and to develop character in the students of secondary schools. These purposes also translate into the criteria used for membership selection in each local chapter.
ACADEMIC AWARDS

Academic Awards are chosen by teachers in each department based upon academic achievements. Certificates are given at the awards ceremony at the end of the year or at Senior Awards Night.

Honor Roll is awarded to students achieving at 3.0 or higher with all grades a C or above. Seniors with 7 semesters of 3.0 or higher, all grades C and above will be awarded a plaque at Senior Awards night.

Perfect Attendance is awarded to students with no absences all year. (This includes period absences.)

CODE OF STUDENT CONDUCT

A “code of student conduct”, as recommended by Indiana law and the board of school trustees of the Brown County Schools, is presented in this book. The handbook provides for the recognition of responsibilities of students in respect to the rights of others and to the obligation of the school to provide the order necessary for meaningful and effective instruction and learning. The student/parent handbook is provided to students and parents/guardians so they may fully understand their responsibilities. The primary function of the school is to provide educational opportunities for all students. Education cannot take place unless there is an atmosphere of order and discipline necessary for effective learning. Order and discipline may be described as the absence of distractions, frictions and disturbances, which interfere with the functioning of the student and the school. The educational purposes of the school are accomplished best in a learning climate in which the rights and responsibilities of every individual are known and respected. Implicit in these rights and responsibilities is the responsibility of respecting the rights of others. The “code of student conduct” is in force while the student is traveling to and from school and includes, but is not necessarily limited to, school sponsored events, field trips, athletic functions and other activities where appropriate school officials have jurisdiction over students.

LOCKER SEARCHES

IC -20-33-8 LOCKER SEARCHES

Sec. 32.

(a) A school corporation must provide each student and each student's parent a copy of the rules of the governing body on searches of students' lockers and locker contents.

(b) A student who uses a locker that is the property of a school corporation is presumed to have no expectation of privacy in that locker or the locker's contents.

(c) A principal may, in accordance with the rules of the governing body, search a student's locker and the locker's contents at any time.

(d) A law enforcement agency having jurisdiction over the geographic area having a school facility containing a student's locker may:
   
   (1) at the request of the school principal; and
   
   (2) in accordance with rules of the governing body of the school corporation; assist a school administrator in searching a student's locker and the locker's contents.

The content of each locker will be considered to be the possession of the student assigned the locker.

DRUG TESTING

The Brown County Schools Board of Trustees recognizes that the misuse of drugs and alcohol is a serious problem with legal, physical and social implications for the entire community. As the educational institution of this community, the school should strive to prevent substance abuse with education, rather than punitive means.

All students who wish to participate in athletics or any extracurricular activity or drive to school must sign a consent form to be a part of the random drug-testing program before being allowed to participate in the specific activity.

This program does not affect current policies, practices or rights of the Brown County Schools regarding drug and/or alcohol use, where there is reasonable suspicion by means other than drug testing through this policy.

SCHOOL BUS BEHAVIOR GUIDELINES

The school bus driver is responsible for a just, fair, and impartial enforcement of all school bus rules and regulations. Upon recommendation of the bus driver, school authorities may deny the privilege of riding the school bus to any pupil who refuses to conduct himself/herself appropriately.

The bus driver is working for your safety; all students shall follow the directions of the driver the first time given. It is recommended that students be at the bus stop 5 minutes before the scheduled pick-up time.

Loading and Unloading:

- Observe all safety precautions at the loading and unloading point. Never pick-up a dropped paper or object that may have fallen under or near the bus, instead notify the school bus driver.
- Be at your assigned bus stop on time to help keep the bus on schedule.
- Use extreme caution in getting to and from your assigned bus stop.
- Look in both directions before stepping from behind parked cars.
- Stay well off the roadway until the bus comes to a complete stop and the bus driver indicates that it is safe to board.

- Do not play on or near the road while waiting for the bus to arrive.
- Look in both directions before crossing any roadway.
- Never walk on the road when there is a sidewalk or pathway.
● Use the handrail while getting on and off the bus.
● To increase visibility, wear light colored/reflective clothing; or carry a flashlight when you walk on the roadway when it is dark.
● When you must cross the road to enter the bus, or after leaving the bus, always cross in front of the bus. Always wait until the bus stops and then cross in front of the bus only upon direction of the school bus driver.

1. Each pupil must proceed immediately to the seat assigned by the driver. Do not leave your seat while the bus is in motion. Before you leave your seat, wait until the bus has come to a complete stop and the door has been opened.
2. Be alert to a danger signal from the driver. Remain in the bus in the event of a road emergency until the driver gives instructions.
3. Keep hands and head inside the bus at all times. The window may be lowered to the first stop only. Do not throw anything out of the bus window.
4. Remember that students are subject to the same behavioral expectations on the bus as at school. Stay seated, face forward, keep hands and feet to self, talk quietly.
5. It is important to be absolutely quiet when approaching a railroad-crossing stop.
6. Treat bus equipment respectfully. Never tamper with the bus or any of its equipment.
7. Assist in keeping the bus safe and sanitary at all times. No eating, drinking, or gum chewing is allowed on the bus. Never block the exits, always keep books, packages, lunches or other articles out of the aisles. Take everything with you; don’t leave any items on the bus when you leave.
8. All students shall respect the rights and safety of others.
9. Do not ask the driver to stop at places other than the regular bus stops; he/she is not permitted to do this except by proper authorization from a school official. All students are to get on and off at their regular stop unless they have a note or call from the parents and the approval of the Principal. Permission to ride a bus other than the assigned bus must be made in advance, approved by the Principal, and based on seat availability.
10. Students are to ride their assigned bus only and the bus driver has the right to assign seats.
11. Malicious damage done to the bus will be paid for by the student and/or parents.
12. Students living on State Road 135 from Nashville north to the Morgan County line, State Road 46 from Nashville east to Bartholomew County line, and State Road 46 from Nashville west to Monroe County line will be picked up only on the side of the road they live on and will be let off in the afternoon on the same side they live on. Do not cross these roads to get on the bus in the mornings or after you are let off in the afternoon. The bus drivers have been informed to obey these regulations and will not pick you up if you have crossed the road.
13. Students violating the bus conduct rules, or any other school rules on the bus, may be referred to the administration and be subject to disciplinary action up to, and including being suspended, from the bus for the remainder of the year as well as additional school penalties.

Students failing to comply with the rules and regulations may be disciplined using the following guidelines:

1st OFFENSE: Verbal Warning by driver telling the student what he/she did wrong and what the consequences will be if repeated.
2nd OFFENSE: Written Warning given to student signed by parent/guardian (copy to school office).
3rd OFFENSE: Loss of bus privilege for one (1) day.
4th OFFENSE: Suspended from the bus for one (1) - three (3) days by the administration.
5th OFFENSE: Expelled from the bus for the remainder of the year.

Administrators reserve the right to waive any step, accelerate the discipline plan, or devise an alternative consequence based upon the severity of

Students will be given the opportunity to make up all tests and quizzes. The following procedures were designed to deter students who would normally refuse to dress for physical education:

1st non-dress—all participation points for that class period will be lost.
2nd non-dress—all participation points for that class period will be lost.
3rd non-dress – the student will be given a 1 hr ASD (after school detention) and all participation points for that class period will be lost.

4th non-dress – the student will be given a 3 hr ASD, parents will be contacted by the teacher, and all participation points for that class period will be lost.

5th non-dress – the student will be given an OSS, parents will be contacted by administration, and put on a behavior contract; all participation points for that class period will be lost.

6th non-dress – the student will lose credit for the current semester of Physical Education

**CELL PHONES & ELECTRONIC DEVICES**

*Cell phones and electronic devices are NOT ALLOWED in classrooms.*

*Failure to hand over a cell phone to a staff member will result in consequences for defiance.*

---

Sending, sharing, viewing, or possessing pictures, text messages, emails, or other material of a sexual nature in electronic or any other form, including the contents of a cell phone or other electronic device will be subject to disciplinary action and notification of law enforcement.

**Important Notice to Students and Parents Regarding Cell Phone Content and Display**

---

The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with "child exploitation" or "child pornography" as defined by Indiana Criminal Statutes.

---

It is "child exploitation," a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitalized image of any incident that includes "sexual conduct" by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes "sexual conduct" by a child under the age of 18.

---

It is "child pornography," a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes "sexual conduct" by a child who the person knows is less than 16 years of age or who appears less than age 16.

---

"Sexual conduct" is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.

---

The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.

---

Because student cell phones have been found in a number of Indiana school districts to have contained evidence of "sexual conduct" as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

PERFECT ATTENDANCE – AWARDED TO STUDENTS WITH NO ABSENCES TO ANY CLASS PERIOD.
The Brown County School Corporation believes in the necessity of good attendance and promptness to ensure the success of our students. It is imperative that all students attend school regularly to maximize their educational experience. Students will be allowed a total of 12 absences per class, excused or unexcused, each semester. A letter will be sent to parents/guardians on the 8th absence stating any further absences must be only excused.

THE PARENT/GUARDIAN MAY APPEAL THE LOSS OF CREDIT THROUGH AN ATTENDANCE HEARING. (SEE ATTENDANCE HEARINGS)
Parents/guardians are expected to contact the school by 9 am if their child is absent. If the parent/guardian does not make contact the school will attempt to locate the parent/guardian. A note must be submitted within 48 hours. Absences that are not verified or excused within 48 hours will become truancies. Students arriving 15 minutes or more late will receive an absence to that class.

It is the student’s responsibility to request the work they miss in class. The student has one day for every day missed to make up and turn in work. Students need to make an effort to contact all of their teachers during their first day back. Work not completed could result in a grade of “F”.

Types of Absences

28
A. **VERIFIED absences** are those with proper documentation.
   1. Office note from Doctor, Dentist, Orthodontist, etc.
   2. Office note/documentation from BMV, Lawyer, Probation, Therapist, etc.
   3. Death in the family
   4. Religious holiday
   5. *Other reasons deemed justifiable by school officials*

B. **EXCUSED absences** are those that have proper documentation from parents or guardians.
   1. Phone calls or phone messages from parents or guardians
   2. Written or verbal communication from parents or guardians

C. **UNEXCUSED absences** are those without documentation or communication from parents, guardians, and verified offices.
   1. Unexcused absences may be considered Truancies if they are not excused or verified in a timely manner.
   2. Known truancies or cut classes are considered unexcused absence.

D. **PRESENT- days marked present** are days where students have educational or service related documentation.
   1. Military service
   2. Service as page in the state legislature
   3. Work at election polls
   4. Approved school-sponsored activities
   5. College Visits (Request forms must be picked up in guidance and approved by an administrator)
   6. Legal Obligations
   7. School bus does not make the route
   8. Field Trips

   *Family vacations – should be taken during school breaks, however, if taken during school, they must be pre-arranged, preferably at least one (1) week in advance. All pre-arranged absences must have approval from a building administrator.*

**ATTENDANCE HEARINGS**

The purpose of the Attendance Hearing is to review a student’s attendance record. A hearing, at the request of a principal and/or designee will be held when a student has violated the attendance policy. Failure to respond and set up a hearing within six (6) days of the letter will result in loss of credit with an F issued for the class. In addition, the student’s participation in all extra-curricular activities will be prohibited.

When absences become so excessive that an Attendance Hearing is convened, reasonable consideration will be given to notes placed in the student’s attendance file and any other pertinent information. Any student under 18 years of age placed on an attendance contract whose grades are not in good standing, according to the school, will have his/her work permit revoked.

**TRUANCY**

I.C. 20-33-2-11 Habitual Truants

BCHS administrators may report a student who habitually absents himself/herself from school in violation of this chapter to an intake officer of the juvenile court.

Habitual truancy may be defined as:
1. Defiance of parental authority in the failure to attend school.

2. A large number of aggregate absences over the period of a school year. Define the term as a student who is chronically absent, by having unexcused absences from school for more than ten (10) days of school in one (1) school year;

3. More than three (3) findings of truancy.

Furthermore, truancy is defined as anytime school is missed without a phone call, or notification from parent or guardian. A student identified as a habitual truant will be granted a review of the student’s attendance record to determine if the student’s attendance has improved so that the student may become eligible for a permit or driver’s license. This review will occur at least once a year, but not before a minimum of 90 days.

When a student obtains an unexcused or unexplained absence from single classes during the school day, a Discrepancy Notice is generated by the office and confirms the absence with the teacher where the student was assigned. If the teacher confirms the absence, the absence will be considered a class cut. The student will be considered truant. If the student can confirm his or her presence with a staff member during the time of the recorded absence, the absence will be eliminated with no penalty.

Such excuses as - “I was sick,” “I had to take care of personal business (on or off grounds),” “I was in the restroom,” “I went to my car to get a book,” or “I just didn’t go,” will not be accepted. IF YOU ARE SICK, REPORT TO THE NURSE! IF YOU HAVE PERSONAL PROBLEMS, REPORT TO THE GUIDANCE OFFICE.

WITHDRAWING FROM SCHOOL

IC 20-33-2-9

State law requires attendance in school until the student becomes 18 years of age. If you are considering the possibility of leaving school, see your guidance counselor as soon as possible.

EARLY DISMISSALS

1. Students seeking early dismissal during the day, need to turn in a written note with daytime phone number from parent/guardian before school begins.

2. Phone calls from parents/guardians seeking early dismissal may be confirmed by the office personnel calling back the parent.

3. If a student is checking out for early dismissal during lunch parent/guardian/emergency contact must come and sign them out through the office.

4. Absentee calls need to be made to the attendance line before 9:30 AM

5. Phone messages for students will only be accepted from those listed on the student’s information sheet as parent/guardian or emergency contacts and must be made prior to 2:30PM.

6. Please call the main office ahead of time if a student is being picked up early and you were not able to send in a note. Please give an hour or more notice before picking up your student.
TARDINESS

Any student reporting to class after 8:20 must report to the office to receive an admission slip before going to class. If the student arrives to school late, a tardy will be issued for that class period. (Being 15 minutes late or more to a class will be counted as an absence, NOT a TARDY.) A student is tardy if he/she is not in the classroom at the time the bell rings.

Total tardies to all classes - not per period will result in the following:

6 - 1 Week of Lunch Detention
10 – 2 Weeks of Lunch Detention
13 - Attendance/Behavior contract/ASD/probation referral/OSS

*Seniors can lose open lunch for anything beyond 5.
This list will start over at the semester.

WORK POLICY & WORK PERMITS ISSUANCE

An administrator may issue a work permit upon presentation by the minor of the following documents: proof of age, proof of prospective employment (intention to Employ/A-1 form), and for a minor seeking a work permit from a school the child does not attend (i.e., a minor attending a non-accredited school), the minor’s school attesting to the minor’s acceptable academic performance and attendance (approved by the administration).

Under Indiana law, school corporations have the right to deny a work permit to a student whose academic performance does not meet the school corporation's standards or whose attendance and or tardies are not in good standing. They also have the right to revoke a work permit previously issued to a student if the school determines that there has been a significant decrease in the student's GPA or attendance after she/he begins work.

CRITERIA FOR ISSUANCE OF WORK PERMIT

Attendance:

1) A student’s attendance must be in good standing. Therefore, absences must not exceed the 12 absences for a class allowed in the school attendance policy and less than thirteen (15) tardies total per semester.
2) If the student exceeds the absences allowed in the attendance policy, the student’s employer and parents will be sent a warning letter. The student will be placed on school status probation for the next grading period.
3) If unexcused absences persist during the probation period, the student’s work permit will be discussed as a part of the Attendance Hearing. At this time the school may revoke the student's work permit, and the employer and parents will be notified.
4) The work permit will be reissuued if the student’s attendance reaches an acceptable level during the next grading period.

Grades:

1) A student may not fail three or more classes during any 9 weeks grading period.
2) Any student who failed one or two classes during any 9 week grading period will be maintain his/her work permit on a probationary basis.

The student has the right to appeal this decision, but the school will override its decision only upon a student’s demonstration of just cause. Appeals are made to the school principal in writing.

BCHS HEALTH OFFICE POLICIES

PRESCRIPTION MEDICATIONS: All prescription medications must be in a container with the correct patient name, most current medication name, date and dosage included on the intact pharmacy label. All prescription medications require a written physician’s order or copy of a current prescription and written parent permission before the school staff will administer the medication. The proper paperwork is available at the school health office. For your convenience, the doctor’s office may fax an order to the school. This policy is for all prescription medication including inhalers and Epi-Pens.

AUTHORIZED TO POSSESS AND SELF-ADMINISTER MEDICATION:
Unlike all other medications that are kept locked in a cabinet in the Health Room, inhalers, for asthma, and Epi-Pens, for severe allergic reactions, and other emergency medications for chronic diseases or other medical conditions may be carried by a student if he/she knows how to use them. If a student is going to carry emergency medication with them at school, they must have proper documentation on file in the health office including a written doctor’s statement and written parent permission.

IMMUNITY IN CONNECTION WITH SELF ADMINISTRATION OF MEDICATION:
A school or school board is not liable for civil damages as a result of a student’s self-administration of medication for an acute or chronic disease or medical condition except for an act or omission amounting to gross negligence or willful and wanton misconduct.

OVER-THE-COUNTER MEDICATIONS: All over-the-counter medication requires written permission from the parent or guardian. This written permission must include the name of the medication, dosage and times the medication is to be given, and medical condition for which the medication is to be administered. School personnel will dispense over-the-counter medication according to the established directions on the package. Over-the-counter (OTC) medication must be brought to school in the original container and labeled with the student’s name. A permission note must contain parent’s/legal guardian’s signature and date. For convenience, each health clinic will have available generic Advil, Tylenol, Tums, and Benadryl for occasional use should a student need an OTC medication.

TRANSPORTING MEDICATION TO SCHOOL: We encourage parents to transport medication(s) to and from school whenever possible. This provides safety for all the children and insures that your child’s medication gets to the appropriate place. If you must send medication to school with your child, please place it in a sealed envelope and make certain it is in its ORIGINAL CONTAINER with a child proof lid, and the necessary permission letters.

TRANSPORTING MEDICATION FROM SCHOOL TO HOME: We strongly encourage parents to pick up their child’s medication at the end of the school year, however medication may be sent home with a student if the student’s parent provides written permission for the student to receive and transport the medication home.

VERIFICATION OF LONG-TERM MEDICATION: Continuing long-term medication must be verified annually, as well as at our request during the school year.

ADMINISTRATION OF MEDICATION LIMITED TO FDA (Food and Drug Administration) APPROVAL: The term “medication” is limited to only FDA approved drugs. Herbals, home remedies and dietary supplements, such as creatine, are not FDA approved and are not permitted on school grounds.

Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

ATHLETIC HANDBOOK TO THE ATHLETE:

Participation in athletics at Brown County High School is a privilege that offers students many opportunities and valuable benefits. To take advantage of these opportunities, athletes should commit themselves to the goals that they, their teammates and coaches share. This commitment should not be viewed as a part-time or temporary situation, but rather a continued, year-round pursuit which athletes may find quite demanding and challenging.

Any athlete, regardless of his or her sport affiliation and level of competition, must be willing to make certain sacrifices. As an athlete at Brown County High School, you will discover this to be most certainly true. We believe, however, that the rewards of interscholastic athletic competition far outweigh the personal sacrifices that you will make and the additional demands and responsibilities that will be placed upon you as an athlete.

It is our sincere desire that your athletic experience at Brown County High School be enjoyable and fulfilling. Furthermore, we believe that with substantial effort, dedication, commitment, and discipline, you will leave this school a better person for having participated in high school athletics. Regardless of the outcome of a contest or a season, those individuals who possess a sense of purpose and work diligently to achieve that purpose are in the true sense of the word WINNERS!

Mark Bruner, Director of Athletics

RULES AND POLITICS

All athletes will be expected to adhere to Indiana High School Athletic Association rules and regulations and to the policies and standards established in the Brown County High School Student Handbook and Athletic Handbook. Each coach has the privilege and is encouraged to establish additional policies that may not be covered by the Athletic Handbook.

CONDUCT/BEHAVIOR

Within the school and community setting, athletes are highly visible and therefore intensely scrutinized. It is essential then that an athlete’s conduct and language, regardless of time or place, always demonstrate respect for his or her peers, superiors, opponents and officials. Behavior and/or language that are deemed inappropriate will only discredit or embarrass the athlete, and his or her teammates, coaches, school and community. It is recognized that principals, by the administrative authority vested in them by their school corporation, may exclude any contestant from representing their school, if their conduct is undesirable. Any athlete who is ejected from a contest by a contest official shall be
suspended for the next contest. Any athlete who demonstrates a pattern of inappropriate behavior may be suspended for the remainder of a season, year, or career.

Fundamentals of Sportsmanship

1. Show respect for your opponents at all times.
2. Always respect the contest officials and abide by their decisions.
3. Know, understand and appreciate the rules of the contest in which you are competing.
4. Maintain self-control at all times, regardless of the situation.
5. Recognize and appreciate the skill in performance of your teammates and opponents.

CLASSROOM/SCHOOL CONDUCT

Athletes should abide by the rules set forth in the Brown County High School Student handbook. At all times, athletes should respect their fellow students and all faculty and staff members.

CONDUCT ON ROAD TRIPS

As a representative of your school and community, you will be expected to behave appropriately on the bus, at the opposing school or contest site and in all public places. Inappropriate conduct or language may result in suspension or probation at the coach’s discretion.

PRACTICE

Coaches will establish practice dates and practice times:

• Practice attendance is essential. Each coach will be responsible for establishing rules governing practice attendance.
• Most practice sessions are closed to the public, and athletes from other teams are not to be in the gym during a practice.

LOCKERS/LOCKS

• Athletes are responsible for keeping their locker areas clean. Practice clothes should be taken home and washed regularly. Glass containers are not allowed in the locker area.
• Athletes may be issued a school lock. A $5.00 deposit will be collected prior to issuing a lock. Athletes are expected to return the lock in good working condition at the end of the season or school year. The $5.00 deposit will be returned if the lock is in good working condition. Personal locks are not to be used on school lockers.

SCHOOL ATTENDANCE

An athlete who is not in attendance for at least four periods the school day will not be permitted to participate in a practice or a contest that evening. Exceptions may be made; however, they must be decided by the principal or athletic director.

PHYSICAL EDUCATION

A student who is physically unable due to injury or illness to participate in his or her physical education class shall not be permitted to practice or compete with his or her team.

INJURIES/ILLNESSES

A student-athlete shall attend regularly scheduled practice sessions to be eligible for interschool athletic competition. If, as a result of a school strike, student suspension, athletic suspension, health limitation or other similar reasons, a student shall fail to attend regularly scheduled practice sessions, such student shall be required to complete the following prior to participation:

a) attendance and active participation in preseason practices, if applicable;

b) attendance and active participation in four school-supervised practice sessions of normal length, which shall occur on four separate days prior to the day of the contest, if the student fails to attend and actively participate in more than four but less than 11 consecutive days of
regularly scheduled practice;
c) attendance and active participation in six school supervised practice sessions of normal length, which shall occur on six separate days prior
to the day of the contest, if the student fails to attend and actively participate in more than 10 consecutive days of regularly scheduled
practice.

**SUPERVISION**

Athletes are not to be in gym, weight room, or any athletic facility unless under the direct supervision of their coach. All practice sessions are to be supervised by their coach.

**EQUIPMENT/UNIFORMS**

A considerable sum of money has been invested in athletic equipment and uniforms. Athletes will be responsible for paying the replacement cost of any lost, stolen or damaged item of equipment or uniform. School owned uniforms and equipment should be used or worn for athletic purposes only. Other uses require special permission from the coach. Some items that are issued and kept by athletes, such as baseball/softball caps, t-shirts, practice gear, etc. will be the expense of the athlete. All school issued uniforms and equipment MUST be returned at the conclusion of that season. Athletes will be held financially responsible for items that are not turned in, whether lost or stolen.

**LAUNDERING**

Athletes who are responsible for laundering their uniforms should follow precisely the instructions on the uniform label or ask their coach for laundering instructions.

**SCHOES**

Shoes with metal spikes or rubber cleats are not to be worn in the building or on the buses. They should be put on outside and removed before entering the building. Gym shoes that have been worn outside are not to be worn on the gym floor!

**TRANSPORTATION**

When games, meets or tournaments are away from home, all athletes are required to go with the team and coaches (by bus, van or other means of transportation).

Athletes may return home with parents or other adults only with the prior written, phoned, or verbal consent of the parents and the approval of the coach. However, athletes are encouraged to travel with the team to and from all contests, and should respect the coach’s decision should he or she not approve the athlete’s request to ride home with his or her parents.

**INSURANCE**

A. Brown County High School expects each athlete to have accident insurance before participating in activities.
B. All Brown County High School students may purchase school accident insurance, which is available at the beginning of each school year.

C. Brown County High School will not pay any expenses related to injuries sustained by athletic participants.

D. Football participants may purchase special insurance for coverage in that sport.

E. A Catastrophic Insurance Policy is purchased yearly by the IHSAA.

SWITCHING SPORTS

An athlete who begins a sport season with one team may not leave that team and join another after the date of the 1st contest in each respective sport. Athletes are not to begin participation in an upcoming sport until the sport they are currently involved in officially ends or until they are released by their coach to commence participation in the other sport.

Example: a cross-country runner deciding to play basketball may not begin participating with the basketball program until his season is officially over or until his coach has released him.

TWO SPORTS - SAME SEASON

An athlete who desires to participate in more than one sport in a season may do so provided that both coaches of the sports involved and the Athletic Director agree to the dual participation.

AWARDS

Here are the recommended minimum standards for determining award recipients. Awards will be based upon these standards and/or the coach’s recommendation. Any athlete listed on a varsity roster who does not receive a varsity letter is still eligible to receive a reserve or freshman award. Athletes who fail to meet the minimum standards may still receive varsity awards at the discretion of their coaches. A coach may recommend an athlete who has been injured during the season for a varsity award.

Any athlete who quits a team at any point during a season will forfeit all athletic awards and participation points. Athletes who are suspended or become ineligible for other reasons may forfeit their awards as well.

- Baseball - Participation in 25% of available innings.
- Basketball - Participation in 25% of available quarters.

An athlete may earn only one award per sport per season. For instance, a football player who plays both reserve and varsity will be awarded a reserve or a varsity award, but not both.

Before an athlete may be considered for an award and participation points, he/she must successfully complete the sport season. It will be the responsibility of the coaches to recommend athletes for awards.

To obtain more information and a copy of the student release form, see your guidance counselor or athletic director.

**TRAINING RULES**

Members of the athletic staff at Brown County High School are committed to enhancing the health and well-being of our student athletes. Athletes who use tobacco products and/or controlled substances are jeopardizing their health as well as the health and safety of their teammates and opponents.

One of our missions is to encourage our student athletes to live a lifestyle that does not involve the use of harmful and illegal substances. To assist in this effort the following policies addressing the use of tobacco products and controlled substances have been implemented.

**Prior to participation in any contest student athletes must have a signed drug testing form on file.**

**TOBACCO** - involves the use or possession of any type of tobacco products on or off school grounds.

1. **First offense** - suspension for 10% of the regularly scheduled contests at the level of participation. Athletes who agree to participate in and successfully complete a four week tobacco cessation course offered through BCHS will not be required to serve the 10% suspension. This applies to the first offense only.

2. **Each subsequent offense** - suspension for 30% of the regularly scheduled contests at the level of participation.

**CONTROLLED SUBSTANCES** - violation involves the use, possession or transmission of any narcotic or hallucinogenic drug, amphetamine, barbiturate, steroid, mood-altering chemical or intoxicant of any kind including alcohol. Indiana Law requires school officials. (I.C. 35-48-4) to report in writing to a law enforcement officer any conduct involving drugs, narcotics or alcoholic beverages that occurs on or within 1000 feet of school grounds. See the Brown County High School Handbook Day Planner for more information.

**FELONY OR MISDEMEANOR CHARGE** - the Athletic Council will review each case and render a decision. All training violations and subsequent consequences hinge on information obtained from law enforcement officials, observation by Athletic Council members,
school administrators, other school officials, or by admission by the athlete.
Policies involving tobacco and controlled substances are in effect during the school year and also in the summer. Violations and suspensions are carried over from one sports season to the next and from one school year to another.

-- Athletes serving a suspension due to a violation involving controlled substances may be suspended from all athletic activities including practices for ten days. This is in addition to contest suspensions.

-- An athlete found in violation of the policies during a time when he/she is not participating in a sport will have the suspension applied to the next sport in which he/she participates in full and successfully

**APPEAL PROCESS:**

An athlete who has been suspended due to a violation of the handbook or a violation of team rules may, within five days of the notification of the suspension, request a conference with the Principal. In attendance should be the athlete, his/her parents or guardians, the athletic director and at least two additional members of the athletic council. After the conference, the Principal and the members of the athletic council will decide to either support the suspension or to pass the matter on to the principal, whose decision will be final. The athlete’s parents may request a meeting with the principal if they disagree with the decision rendered by the three members of the athletic council.
