

March 12, 2018

Dear Colleague in Education:

The Indiana Migrant Education Program administers a supplemental educational program for the children of migratory agricultural farm workers in Indiana. As part of this program and Title I, Part C of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act of 2015, our local project staff are required to gather pertinent educational and support data on identified children.

The local Identification and Recruitment Field Specialists and Migrant Regional Centers in your area are requesting access to student files and information. Signed parent permission forms granting the Migrant Education Program access to such records are kept on file in the form of a certificate of eligibility (COE). Additionally, the Migrant Education Program and the Indiana Department of Education are bound by all provisions of FERPA and the similar laws of confidentiality as your school corporation. Thank you in advance for honoring this authorization for access to student records by the identified local migrant program staff personnel.

We appreciate your cooperation in this manner as we work for the mutual educational achievement of these children to ensure 100% of all migrant students are identified and served.

If you have any questions or would like additional information, please visit our website at <http://www.doe.in.gov/elme>, or contact the Office of English Learning and Migrant Education at 317-234-6868.

Sincerely,

Nathan Williamson
Director of Title Grants and Support
nwilliamson@doe.in.gov

What is the Migrant Education Program?

Title I, Part C Migrant Education Program (MEP) Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act of 2015 supports high quality education programs for migratory children (ages 3-21) and helps ensure that migratory children who move among the states are not penalized in any manner by disparities among states in curriculum, graduation requirements, or state academic content and student academic achievement standards. The MEP is designed to help migratory children overcome educational disruption, cultural and language barriers, social isolation, various health-related problems, and other factors that inhibit the ability of such children to do well in school and to prepare such children to make a successful transition to postsecondary education or employment.

Frequently Asked Questions

How are students identified?

- Students should complete the Migrant Education Program Survey to determine whether your assigned Identification and Recruitment Field Specialist should be contacted to collect further information and determine eligibility.

How long are students eligible for the program?

- Students that qualify for the MEP have a certificate of eligibility (COE) which is valid for three years.

What school fees are waived for migrant students?

- Migrant students are entitled to free lunch and textbooks as long as they have an active COE in Indiana's Migrant Information and Data Access System (MIDAS).

What additional services/funds are available to assist migrant students?

- Title I, Part C provides supplemental funds to school corporations with migrant students. These funds are available through a grant from the Indiana Department of Education.
- If schools do not wish to apply for the grant, migrant students are entitled to services from the Migrant Regional Center in your area. For a map of the regions, please reference the attached documents or visit <http://www.doe.in.gov/elme>

Who should I contact if we have possible migrant students in our school corporation?

- Schools with possible migrant students should contact their regional ID&R Field Specialist. Please reference the attached map and regional directory in order to determine your corresponding specialist or visit <http://www.doe.in.gov/elme>

Are migrant students English learners?

- Sometimes. Like all students in Indiana, migrant students must complete a home language survey (HLS) in order to determine if their English proficiency should be assessed.

Migrant Regional Center (MRC) Support Structure Overview

The Migrant Education Regional Service Center is an IDOE support structure for the Migrant Education Program. The Indiana Migrant Education program has successfully secured three regional centers to help carry out and maintain equitable educational opportunities for migrant students while closing the achievement and opportunity gap. Through the creation of seven migrant centers, the Indiana Migrant Education program aims to successfully identify and serve 100 percent of the migrant population.

Charged with the vision and mission of “100% identified, 100% served,” the Migrant regional centers will provide educational and supportive services to eligible migrant students. All migrant students will receive the services they are entitled to regardless of their geographic location. In order to facilitate high quality services, migrant regional centers will support LEAs with the development and implementation of professional development related to education of migrant children. Professional development opportunities will be extended to teachers, administrators, and other educational personnel that focus on the unique educational needs of migrant children. Migrant regional service centers will collaborate with stakeholders to promote the Indiana Migrant Education Program and identify ways that IMEP can work with stakeholders to better support Indiana’s Migrant students. In addition, they will disseminate and provide technical assistance for federal and IDOE guidance related to Title I Part C regulations, Indiana’s Comprehensive Needs Assessment, and Service Delivery Plan.

The Indiana Department of Education is committed to providing equitable educational and supportive services to all migrant students. Through collaboration from IDOE, knowledgeable and thoughtfully staffed migrant centers, and student centered programs, Indiana’s Migrant Education Program truly is imagining the possibilities and making them happen.

The Migrant Education Program (MEP) provides supplemental education and support services to eligible children through national funding. The purpose of the program is to ensure that all migrant students reach the academic standards and graduate with a high school diploma (or complete a GED).

WORK SURVEY

Thank you for answering the following questions. If your child is eligible for the Migrant Education Program, they may receive additional educational support. This information is **strictly confidential**.

Student's Name: _____ Parent's Name: _____

Address: _____ City: _____ Telephone: (____) _____

Date: _____ Parent Signature: _____

1. How long have you lived in this city/school district? _____
2. Within the last **3 years**, has your child(ren) moved from one school district to another within the United States, with a parent, relative or guardian so that person could look for seasonal or temporary work in agriculture? **YES** ___ **NO** ___ If you answered **NO**, please stop. 

If you answered **YES**, please continue.

3. When was the last time you or anyone in your household has moved to look for, or work in an agricultural activity within the United States? Month _____ Year _____
4. Please check any of the agricultural activities listed below that you have looked for or worked in:

<input type="checkbox"/> Plant or harvest vegetables or fruits <input type="checkbox"/> Detassel corn <input type="checkbox"/> Tobacco farm <input type="checkbox"/> Poultry and/or egg farm <input type="checkbox"/> Duck, turkey, chicken, pork or beef processing plant <input type="checkbox"/> Aquaculture/fish hatcheries	<input type="checkbox"/> Canning vegetables or fruits <input type="checkbox"/> Sod farm <input type="checkbox"/> Planting, pruning or cutting trees <input type="checkbox"/> Dairy farm <input type="checkbox"/> Flora culture/gladiola farm <input type="checkbox"/> Green house or plant nursery
--	---

Please list the names of all of the children in the household under 22 years of age.

Child's Name	Date of Birth (D.O.B.)
